

CALI HERRINGBONE ROPE®

Written instructions by Patty McCourt
Design: Renata Patek Robinson

NOTE: The original design by Renata has been done by using Cali beads and 3mm round beads as shown in the photograph. In the instructions, you will notice I have added a size 15/0 seed bead. This is an optional personal preference.

Technique: Tubular Herringbone stitch.

★ = Start of a new round ● = End of the round

Materials: Tubular Herringbone stitch.

 304-312 of the CALI bead in different colours or in any colour combination you choose = C

 304-312 of the 3mm round bead or Faceted Czech crystal =A

 6 grams of size 15/0 Miyuki seed beads = b (optional)

- 1 Clasp
- 2 Large beadcaps
- Thread of your choice (Wildfire or Fireline 6lb test)
- Beading needle size #10 and #12
- Beading mat and sharp scissors

Instructions:

1- On a 3yd (around 2.7 meters) of beading thread, leave a 6 inch (15 cm) tail. ★ Pick up 1C, 1b, 1C, 1b, 1C, 1b as shown in Fig 1. Sew through all the beads again to form a circle and exit through the hole of the first Cali bead. Then, sew through the middle hole of the same Cali bead ●. See Fig 2.

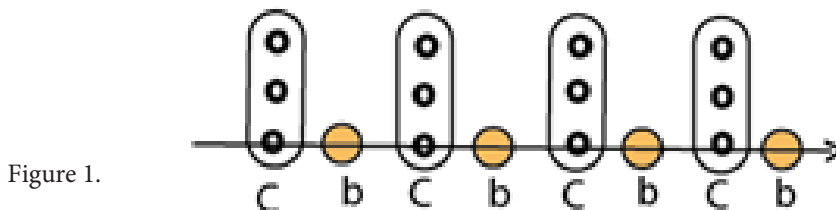

Figure 1.

2- Working in the round, ★ pick up 1A and go through the second hole of the next Cali bead (C). Repeat this step 3 more times until you have filled all 4 gaps. Sew through the middle hole of the first Cali bead of this round and go through the outer hole of the same bead. As shown ● in Fig 3.
