BRIDAL BEAUTIES

BRIDAL HEADPIECES MADE FROM PRECIOSA Traditional Czech Beads™

Floral motifs created using the technique of stringing seeds on thin costume jewelry wire form the basis of hair decorations which are suitable for weddings, other special occasions and even for everyday occasions. The wide range of beads and seed beads from the PRECIOSA Traditional Czech Beads™ brand enables the use of this technique to create almost every kind of flower. Choose your favourite color combination and create relatively easy romantic floral decorations which will never fade or wilt.

Difficulty: ●●●●●

Procedure:

Step 1
String randomly on a 0,30 mm wire bugles and pearls of your choice (atlas finish gives a wonderful sparkle to your finished piece).

tip: string pearls in clusters of three and five, each three forms a bud, each five forms a tiny flower.

Step 2
Make tiny loops by twisting wires together for about 1-1,5 cm as shown on the picture.

Step 3
Three pearls loop for a bud, five pearls loop for tiny flowers. Continue until you have a delicate fan spray.

Step 4
String 5 Pip Beads on 0,30 mm wire.

Step 5
Join wires and twist twice to secure.

Step 6
Take one end of the wire and insert in the center hole.

Step 7
String a 3 mm beads and push it in the hole.

Step 8
Take the wire and slide it between two petals.

Step 9
Bend the wire on the back of the flower.

Step 10
Insert in the hole.

Step 11
Join the two wires and twist.

Step 12
Twist approximately 2 cm and continue with the second flower.

Step 13
Using the longer wire, string 5 Pip Beads
