PRECIOSA ORNELA presents the new PRECIOSA Pip™ Pressed Bead, this time in a tutorial for the creation of costume jewelry accessories with stylised jasmine flowers. The relatively simple procedure will enable you to create the basic flower which can then be used in a bracelet, earrings, a pendant or a ring. This diminutive bead with the dimensions of 5 x 7 mm has the symmetrical shape of a small seed, on whose facets all types of surface finishes look great.

PRECIOSA ORNELA wishes you many creative ideas with this new bead from the PRECIOSA Traditional Czech Beads brand.
