Material : 2 versions

- 6 or 10 Athos® par Puca®
- 60 cm leather cord 0.8mm
- 4 or 6 round metal beads 5 or 6 mm hole 2 mm (PM)
- 1 stop bead hole 3mm minimum (with ring if you want)
- Glue

1) Glue your Athos one over the other and leave 12 hours

2) Prepare 2 leather cords of 30 cm
Place the 2 cords in the middle of your Athos, place 1 metal bead on each side

3) Then tighten, near Athos

4) You'll have now this ☺

5) Place 3 or 5 pairs of Athos, according to your choice

6) Tie a knot on each ends

7) Place a stop bead like picture, tie a knot on each ends of the 4 cords

8) Place a charm on the stop bead if you wish ☺

Happy beading!
Thank you for respecting my work © ☺
