

*"The Indispensable"
Glasses Chain
Design by Finuccia
Sefi Créations
For FP SELECTION®*

Photo Tutorial

Material for 70 cm chain :

- 21 Escargots FP SELECTION® 2 colors
- 64 Minos® par Puca® - Paris
- 8 Round Beads 6 mm (RB6)
- Seed beads Miyuki 11/0 (SB11)
- 2 Glasses clips
- Flexible needle
- 2 Jump rings
- Round head nails 28 mm
- Fireline 0.12
- Jewelry pliers

1) Single module :

Insert on the needle 10 SB11 and pass through the 4th SB11.

2) Pull the thread tightly to form a cross (square).

Insert 1 SB11 and continue with the peyote stitch (insert 1 SB11 into the next 2nd SB11, etc.).

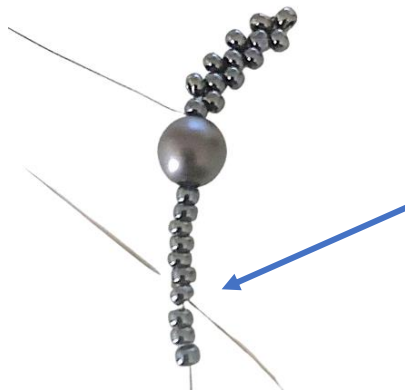

Continue peyote stitching on the others SB11.

3) Here is the result.

4) Insert 1 RB6 and 10 SB11 onto the needle.

Pass through the 4th SB11 HERE (arrow).

Repeat steps 2 and 3.

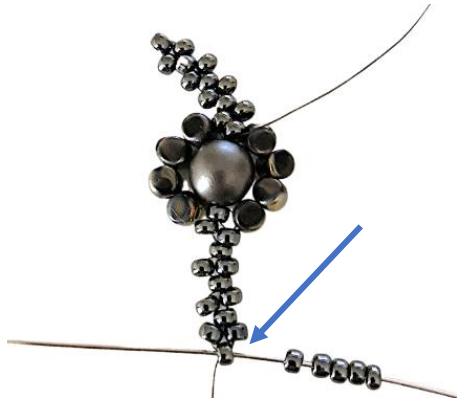

5) Here is the result.

Exiting RB6, insert 4 Minos into the same RB6.

6) Insert 4 Minos in a mirrored manner on the other side of the RB6.

7) Exit HERE (arrow).

Insert 5 SB11 into the SB11 to form a small ring.

Reinforce by passing through the seed beads several times.

8) Here is the result (square).

Exit HERE through SB11 (arrow) and pass through the next SB11.

Then pass through the 4 Minos to reinforce the outline of the RB6.

9) Once you have reinforced the outline of the Pearl with 8 Minos, move out towards the other tip to form a small ring with 5 SB11 (step 7).

10) Here is the result.

11) Escargots :

Using pliers, insert a round-head nail into the Escargot and form a loop at the end.

Assemble 3 Escargots in this manner.

12) Alternately connect the Escargots and Modules.

Attach a jump ring to each eyeglass clip.

"*The Indispensable*" glasses chain is complete.
