Photo tutorial

Material :

- 1 Cabochon Vintage FP SELECTION®
- 12 Elegant Stars FP SELECTION®
- 12 Samos® par Puca® - Paris
- Seed Beads Miyuki 8/0 (SB8), 11/0 (SB11), 15/0 (SB15) 3 different colors
- Rhinestones to stick 3 mm
- Flexible needle and glue
- Metal Circle 50 mm Ø
- Cordon and Terminators with Lobster clasp (or chain with jump rings and clasp of your choice)
- Fireline 0.12 and Nylon thread

Glue the twelve 3 mm rhinestones to the center of each of the 12 Elegant Stars.

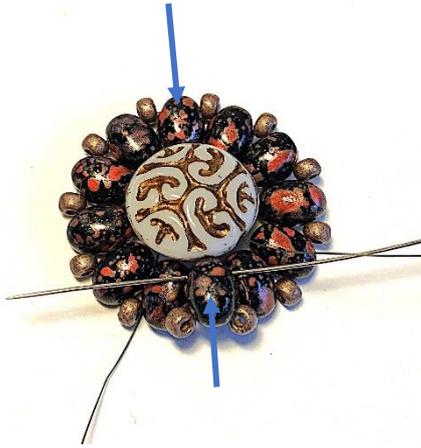

1) Pick up 12 Samos. Close in a circle with knots.

Exit through the top hole of a Samos.

Insert 1 SB8 between each Samos.

2) Place your Vintage Cabochon in the center.

Connect the Vintage Cabochon to the two Samos HERE (arrows).

3) Exit HERE (arrow).

Pick up 3 SB11 through the second hole of Vintage Cabochon.

Pick up 3 SB11 in a mirror above the Vintage Cabochon (red arrow).

4) Here is the result.

Pick up 2 x 12 SB11 on each side of the Cabochon.

5) Here is the result.
Tighten well by passing another time through seed beads.

Exit through 1 SB11 on the left of one Samos (the thread comes out to the left of SB11).

Pick up 4 SB15 through Samos.

Pick up 4 SB15 through 3 SB11 above HERE (arrow).

6) Exit through the next 5 SB11 and repeat the insertion of the 4 SB15s around Samos.

All the way around.
Here is the result.

7) Exit through a Samos before 1 SB8 HERE (arrow).

Pick up 1 SB11, 1 Elegant Star (central hole), 1 SB15. Pass one more time through Elegant Star then SB11. Pass through SB8 and next Samos.

All the way around.

8) We get 12 Elegant Stars around the work.

For the next step, turn your work over.

9) Exit HERE through 1 SB11 (arrow).

Pick up 8 SB11 through SB15 at the top of Elegant Star and exit through the same SB11.

Exit through the next SB11 and repeat this step on the others 11 Elegant Stars.

Tighten well !

10) Here is the result : 12 lines

11) With nylon thread and stop bead, pass through SB8, SB11s and exit through the 8th SB11 HERE (arrow).

Connect the 8th SB11 to the circle by passing the thread under the circle, then over the circle, and entering the same SB11 you started with.

Exit through the 5th SB11 HERE (arrow). Pick up 4 SB11 through the 4th SB11 of the next line.

Continue like this for the entire row.

12) Here is the result.

Still on the back of the work, pick up for the entire round 1 SB11 between each group of 4 SB11.

Reinforce several times.

13) Exit through 1 SB15 of the circle.

Pick up 1 SB15, 1 Dagger, 2 SB15 in the initial SB15.

Reinforce a second time and enter through the SB11 (by passing the thread under the circle) and reach the next SB15 of the circle.

Repeat this step to place 6 Daggers.

14) Tie a cordon around the circle.

Add the cordon end caps and the lobster clasp.

The "La Frisée" pendant is now complete.
