4) Pass over the circle then through the same hole of the last Kheops added.

5) String 3 SB15, 1 SB11, 3 SB15, pass through the 2nd hole of the Kheops then under the circle.

6) Pass over the circle then through the Kheops.

7) String 1 RSB11 and 1 Kheops, then repeat step 3 to step 6 around the circle (inside).

8) You will have this. Go out through Kheops.

9) String 1 Piros and 3 SB15.

10) Pass through the 2nd hole of Piros, then under the circle.

11) String 1 Piros, 3 SB15, pass through the 2nd hole of Piros, then under the circle. Repeat step 11 around the circle.

12) You will have this. Go out through Piros (between Piros and circle).

13) String 2 SB15, pass through the next Piros, then to the 3 SB150, the 2nd hole of the Piros and go out between Piros and the circle. Repeat this step around the circle.

14) You will have this. Go out through the SB11.

15) String 1 SB15 and pass under the 30 mm circle.

17) String 1 SB15 and pass under the circle.

18) Pass over the circle, then through the last SB15 added and through the SB11.

20) You will have this.

21) Now we will work at the center of the circle. On a new Fireline thread alternately string 6 Piros and 6 SB11.

22) Tie the beads in a circle, then pass through the 2nd hole of Piros.

23) String 1 Samos between each Piros.

24) You will have this.

25) String 4 SB15 and pass through the 2nd hole of Samos. String 4 SB15 and pass through the next Piros. Repeat this step for each Samos.

26) You will have this. Go out through SB15 (before Samos).

27) String 3 SB15, 1 SB11, 3 SB15, go around Samos and pass through the next 2 SB15.

28) String 1 B3 and pass through the 2 SB15 before next Samos.

29) Repeat steps 27 and 28 for each Samos and go out through the SB11.

30) Now we will attach this pattern to the circle. Pass under the circle, then pass again through the SB11.

31) Repeat step 30 in the same SB11, changing the direction of the passage through the SB11.

32) Pass through the beads until you reach the next SB11 (in top of Samos). Repeat steps 30 and 31 around the circle.

33) You will have this.

34) Place the pinch bail and the chain.
