Difficulty: ●●●●●

Procedure:

Sew two „filigree“ shapes; one large and one small. Connect them and hang a Th from the smaller one.

The large filigree

Step 1:
Straighten the 4x C with the rounded side upwards. Thread the line through the top hole. Thread the line through one more time. Tie it off. Pull it into the beads and cut it off.

Step 2:
Thread the line through the second holes of the C. String 1x R, 2x T, 1x R, 2x T and 1x R into the gaps between them. Thread the line through everything one more time. Tie it off and finish.

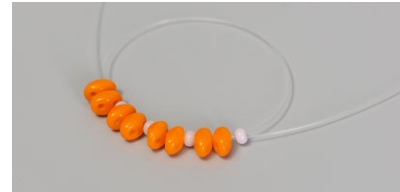

Step 3:
Thread the line through the second hole of the T. Start with the outer T. String 1x R, another T, 2x R, another T, 1x R and yet another T. String 5x R into the gap above the C. Repeat this stringing 3 more times. Thread the line through everything one more time. Tie it off and finish.

The small filigree

Step 4:
String 2x T and 1x R. Repeat this 3 more times. Thread the line through everything one more time. Tie it off and finish.

Step 5:
Thread the line through the second hole of the T. String 3x R into the gaps above the R and 2x R between the T. Thread the line through everything one more time. Tie it off and finish.

Completion

Step 6:
Put rings through 6x Th. Use the thin rings to connect the Th and the small filigree.

Step 7:
Connect the large and small filigree using an 8 mm ring.

Step 8:
Hang all of this onto an earring hook.
