

## Venezia Earrings

Make these simple, but elegant earrings using the new Paisleyduo beads.

### Material (for one pair of earrings)

- Paisleyduo (16 pcs)
- Matubo 8/0 (16 pcs)
- Matubo 11/0 (48 pcs, approx. 0.5 gram)
- 15/0 Miyuki seed beads (approx. 0.5 gram)
- 4mm firepolished beads (8 pcs)
- Beading needle and thread (Nymo, Fireline ...)

Difficulty: For beginners

1) String eight PD beads (wide end, as shown in the photo)

2) Slide all the beads to the end of the thread and tie a square knot to form a circle. Pass through the upper hole (narrow end) of the nearest PD.

3) In the gap where the two PD beads are facing outwards, add one 11/0, one 8/0 and one 11/0 and pass through the upper hole of the next PD.

4) In the gap where the two PD beads are facing inwards, add one 11/0, one 4mm FP and one 11/0 and pass through the upper hole of the next PD.

5) Repeat steps 3 - 4, until you reach the end of the row. At the end of the row add one last group of beads, pass through the upper hole of the last PD and through the first 11/0.

6) Above the 8/0, add one 11/0, one 8/0 and one 11/0 and pass through the next (11/0, upper hole of the PD, 11/0).

7) Above the 4mm FP add five 15/0s and pass through the next (11/0, upper hole of the PD, 11/0).

8) Repeat steps 6 and 7 ...

9) ... until you reach the end of the row.

10) Weave through the last row one more time ...

11) ... but always skip the 8/0 in the corner (keep your tension very tight) ...

12) ... and above each 4mm FP ...

13) ...add another five 15/0s (so there would be two loops of 15/0s above each 4mm FP)

14) Repeat steps 10 - 13, until you reach the end of the row.

Tie a few half-hitch knots and cut off all the remaining threads.

15) Use jump rings to connect one of the 8/0s with an earring component of your choice.

Optionally you can add a drop-shaped bead, a small charm or a chain tassel to an 8/0 on the

opposite side of the earring.
