Material: The finished necklace is 1 m long.

- 22 Hearts 15x16 mm FP Selection
- 22 Arcos® par Puca® - Paris
- 33 Firepolished beads 3mm (F3)
- 55 cm chain of your choice
- Wire metal 0.6 ø or rod metal 0.70 long.
- 22 Oval rings 4mmø

You can put more chain between the hearts, for a larger sautoir.

1) Cut 12 cm of wire and loop on one side.

2) Place 1 F3, 1 Heart, 1 Arcos, 1 F3, 1 Arcos, 1 Heart and 1 F3.

3) Then loop as step 1. Do steps 1 and 2 11 times.

4) I cut 5 cm of chain that I place with an oval ring on your work etc.

5) I alternate chain and your work 😊.

I hope you a pleasant realization.

I offer you this diagram. Please do not change its design.
