For FP Sélection®

Tutorial

Material for Bracelet :

- 4 Hearts FP Sélection®
- 2 Cabochons Vintage® FP Sélection®
- 7 Bicones 3 mm
- 6 Arcos® par Puca® - Paris
- Seed beads Miyuki 11/0 (SB11)
- Clasp of your choice
- 2 Jump rings
- Fireline 0.15

Module 1 :

1) Insert on your thread one stop bead to make work more comfortable.

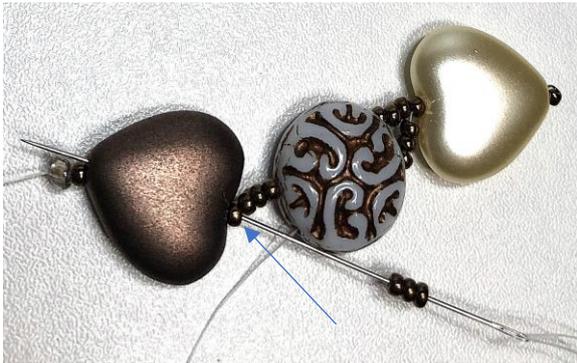

Insert 1 SB11 and pass through the Heart (arrow).

Insert 4 SB11 and enter through the left hole of the Cabochon Vintage®.

2) Add 4 SB11 and repeat the process to place a second Heart.

3) Pass through SB11 at the end and exit HERE after the 1st SB11 (arrow).

4) Place 3 SB11 in the Vintage Cabochon and 3 SB11 in the last seed bead before the Heart (arrow).

Pass through the last SB11 again under the Heart.

5) Exit HERE (arrow).

Insert 2 SB11 and pass through the SB11 HERE and Vintage Cabochon.

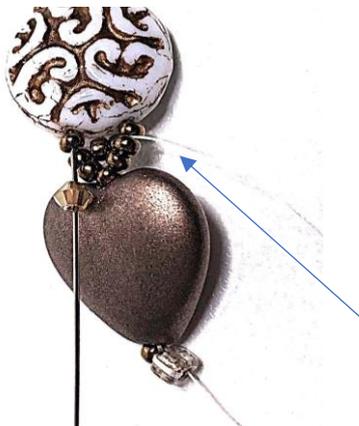

6) Go down through the Cabochon and mirror-place 2 SB11s into the Vintage Cabochon HERE (arrow).

Here is the result.

7) Push the two previously positioned SB11s into your work.

Insert a bicone in place of the two SB11s and proceed as described in step 6.

8) Here is the result.

9) Here is the result.

Module 1 must be run a second time.

Put-on hold.

Module 2 : Prepare this form 3 times with 2 Arcos, 1 Bicone and 24 SB11

Place 1 stop bead before the first Arcos and enter the second Arcos through the upper holes.

Insert 3 SB11s into the central hole. Insert a bicone into the center of the two Arcos. Exit into the other Arcos to place 3 SB11s.

Insert 2 SB11s on each side of the Arcos.

We have 5 SB11s on each side.

Insert 7 SB11 beads twice around the Arcos and reinforce well by passing several times between the seed beads.

Connect each module 2 to the other modules 1 to form the bracelet. Reinforce well and let the threads end inside the work.

Add the rings and clasp of your choice. The bracelet is ready.
